"PEDIATRIC MUSCULOSKELETAL TUMORS"

Amirhossein Misaghi, M.D. – Pediatric Orthopedic Surgeon and Musculoskeletal Oncologist, Adult and Pediatric Orthopedic Specialists, Children's Hospital of Orange County and Providence St. Joseph Hospital Medical Groups, Orange, CA

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Identify and accurately diagnose musculoskeletal tumors in pediatric patients
- ❖ Identify what conditions to refer for and provide timely referral
- ❖ Reflect on the patient populations most affected by musculoskeletal tumors and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Primary Care Physicians, Internal Medicine Physicians, and Emergency Department Physicians, but all physician specialties are invited to attend.

Thursday, January 22nd

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

"DRY EYE AND TREATMENTS"

Ryan G. Smith, M.D. – Ophthalmologist, Pacific Eye Institute, Upland, CA

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Recognize the clinical features, risk factors, and underlying causes of dry eye disease, including environmental triggers, systemic conditions, aging, and medication side effects
- ❖ Utilize appropriate diagnostic tools and clinical criteria to accurately assess and classify dry eye severity
- ❖ Develop individualized treatment plans based on the specific type and severity of dry eye
- ❖ Refer patients to an ophthalmologist or other eye care specialist when advanced diagnostic evaluation or specialized treatment is needed
- ❖ Reflect on the patient populations most affected by dry eye and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Primary Care Physicians, Internal Medicine Physicians, Family Practitioners, and Ophthalmologists, but all physician specialties are invited to attend.

Credit, and 1.0 ABS MOC Credit Offered.

PATIENT CARE CONFERENCE

Currently On Hold

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Orthopaedic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABOS credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.5 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
