

# SAN ANTONIO REGIONAL HOSPITAL

~ February 2026 CME Presentations ~

Thursday, February 12<sup>th</sup>

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

1.0 ABIM MOC Credit,  
1.0 ABP MOC Credit,  
& 1.0 ABS MOC Credit Offered

## “SMALL BOWEL OBSTRUCTION”

Sana A. Qureshi, M.D. – Colorectal and General Surgeon on staff at San Antonio Regional Hospital, Upland, CA

### Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Send for consult timely
- ❖ Recognize and correctly diagnose a small bowel obstruction, differentiating it from different types of obstructive processes
- ❖ Identify and elaborate on the different causes of small bowel obstruction
- ❖ Troubleshoot nasogastric tubes
- ❖ Identify image findings related to small bowel obstruction
- ❖ Determine whether surgical versus medical management of small bowel obstruction is needed
- ❖ Increase suspicion in patient groups that have had any sort of abdominal procedure
- ❖ Reflect on the patient populations most affected and consider how implicit bias may impact appropriate care of these patients

*The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Primary Care Physicians, Internal Medicine Physicians, Pediatricians, Emergency Department Physicians, Surgeons, and Gastroenterologists, but all physician specialties are invited to attend.*

Thursday, February 26<sup>th</sup>

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABIM MOC Credit Offered

## “HEPATIC ENCEPHALOPATHY”

Andrew Dam, D.O. – Gastroenterologist on staff at San Antonio Regional Hospital, Upland, CA, and Pomona Valley Hospital Medical Center, Pomona, CA

### Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Review hepatic encephalopathy (HE) disease state and epidemiology
- ❖ Recognize clinical implications of HE and impact on quality of life
- ❖ Follow current treatment guidelines for HE
- ❖ Explain current treatment options and goals to HE patients
- ❖ Identify barriers in care for HE due to socioeconomic disparities and implicit ethic biases
- ❖ Reflect on patient populations most affected by hepatic encephalopathy and consider how implicit bias may impact the care of these patients

*The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Hematologists, Gastroenterologist, and Internal Medicine Physicians, but all physician specialties are invited to attend.*

Valve: Thursday, February 26<sup>th</sup>  
Price Room & via Zoom

1.5 AMA PRA Category 1 Credits™, 1.5 ABA MOC Credits, 1.5 ABIM MOC Credits, 1.5 ABPath MOC Credits, 1.5 ABTS MOC Credits.  
This activity awards 0.75 credit specific to the application of fluoroscopy/X-ray, with 0.25 of that credit specific to radiation safety. This activity fulfills 1.5 hours of Geriatric credit, as outlined in AB1820.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.5 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

*In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.*
