

# SAN ANTONIO REGIONAL HOSPITAL

~ April 2026 CME Presentations ~

Thursday, April 9<sup>th</sup>

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

1.0 ABIM MOC Credit &  
1.0 ABPath MOC Credit

## “UPDATE ON TREATMENT OF HEPATITIS C”

**Bhavesb Patel, M.D., FACC** – Gastroenterologist at Platinum Digestive Health, Rancho Cucamonga, CA and On-Staff at San Antonio Regional Hospital, Upland CA

### Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Discuss new and existing treatment options for hepatitis C with patients
- ❖ Choose appropriate treatment for each patient
- ❖ Educate patients on hepatitis C co-morbidities and how to prevent and manage them
- ❖ Screen at-risk patients thoroughly
- ❖ Reflect on the patient populations most affected by Hepatitis C and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Infectious Disease Physicians, Internal Medicine Physicians, and Primary Care Physicians, but all physician specialties are invited to attend.

Thursday, April 23<sup>rd</sup>

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

## “ROLE OF AI IN MEDICINE AND ITS MEDICAL/LLEGAL CONSEQUENCES”

**John E. Lowry, PhD** – Director of Faculty Development, Associate Professor of Education, Assistant Director of CMU Academy of Medical Educators, College of Medicine, Central Michigan University, Mount Pleasant, Michigan

### Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Consider the impact (positive, negative, unintended, and medical/legal) of AI in cutting-edge research and in clinical setting within healthcare
- ❖ Implement AI solutions in the delivery of care to patients when appropriate and available
- ❖ Determine how AI may provide better healthcare and an improved patient care experience
- ❖ Use new technology to dissolve communication barriers with patients
- ❖ Reflect on the patient populations most affected and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward all physician specialties.

Price Room & via Zoom

1.5 AMA PRA Category 1 Credits™, 1.5 ABA MOC Credits, 1.5 ABIM MOC Credits, 1.5 ABPath MOC Credits, 1.5 ABTS MOC Credits. This activity awards 0.75 credit specific to the application of fluoroscopy/X-ray, with 0.25 of that credit specific to radiation safety. This activity fulfills 1.5 hours of Geriatric credit, as outlined in AB120.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.5 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
