“END-OF-LIFE AND HOSPICE CARE”

Rohinder Sandhu, M.D. – *Specializing in Critical Care/Pulmonary Diseases, Internal Medicine, and Pulmonology, On-Staff at San Antonio Community Hospital, Upland, CA and Casa Colina, Pomona, CA*

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Recognize the criteria to qualify for hospital admission and hospice care
- ❖ Identify the services provided by hospice
- ❖ Consider the different settings where hospice care occurs
- ❖ Refer for hospice consultation appropriately/timely and communicate effectively with patients and family members
- ❖ Consider how culture, religion, and ethnicity impact decisions surrounding death/dying and navigate them appropriately
- ❖ Reflect on the patient populations most affected by the need for hospice care and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward all physician specialties.

1.5 AMA PRA Category 1 Credits™, 1.5 ABA MOC Credits, 1.5 ABIM MOC Credits, 1.5 ABPath MOC Credits, 1.5 ABTS MOC Credits. This activity awards 0.75 credit specific to the application of fluoroscopy/X-ray, with 0.25 of that credit specific to radiation safety. This activity fulfills 1.5 hours of Geriatric credit, as outlined in AB1820.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology’s redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.0 Lifelong Learning (CME) MOC points in the American Board of Pathology’s (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Successful completion of this CME activity, enables the learner to earn credit toward the CME requirements of the American Board of Surgery’s Continuous Certification program. It is the CME activity provider’s responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery’s Maintenance of Certification program. It is the CME activity provider’s responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
