

SAN ANTONIO REGIONAL HOSPITAL

~ September 2025 CME Presentations ~

Thursday, September 11th

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

1.0 ABIM MOC Credit &

1.0 ABPath MOC Credit Offered

"CATHETER ASSOCIATED URINARY TRACT INFECTION (CAUTI): THE DOWN AND DIRTY FACTS ABOUT CAUTI PREVENTION"

Thomas C. Cesario, M.D. – Professor Emeritus, Department of Medicine, University of California, Irvine

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Differentiate between the clinical definition and NHSN's definition of CAUTI and what is reportable
- ❖ Implement the most efficient and accurate testing protocols when screening for CAUTI
- ❖ Follow proper usage of antibiotics in treating patients with CAUTI in order to lessen incidence of developing C. diff
- ❖ Collect urine specimens according to current literature and best practice
- ❖ Consistently consider patient groups that are at higher risk and employ measures to mitigate the development of CAUTI
- ❖ Reflect on the patient populations most affected and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward all physician specialties.

Thursday, September 25th

12:15 pm

Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

1.0 ABPath MOC Credit Offered

"PRE-ECLAMPSIA"

Mark Curran, M.D., FACOG – Perinatologist, San Gabriel Valley Perinatal Medical Group, Inc., West Covina, CA; President, Focus Information Technology, Inc. (Creator and Webmaster perinatology.com); Clinical Instructor, Department of Family Medicine, Pomona Valley Hospital Medical Center, Pomona, CA; Director, Maternal Fetal Medicine, San Antonio Regional Hospital, Upland, CA

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Diagnose preeclampsia and hypertensive disorders of pregnancy timely
- ❖ Manage preeclampsia and other hypertensive disorders at all stages of pregnancy (e.g., antepartum, intrapartum, and postpartum)
- ❖ Consider implications and consequences of these disorders throughout and after pregnancy
- ❖ Recognize risk factors for preeclampsia
- ❖ Consider co-morbidity risk factors and screen patients thoroughly for preeclampsia and eclampsia when suspected
- ❖ Reflect on the patients most affected by pre-eclampsia and consider how implicit bias may impact the care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Emergency Department Physicians and OB/GYN Physicians, but all physician specialties are welcome to attend.

Price Room & via Zoom

1.5 AMA PRA Category 1 Credits™, 1.5 ABA MOC Credits, 1.5 ABIM MOC Credits, 1.5 ABPath MOC Credits, 1.5 ABTS MOC Credits. This activity awards 0.75 credit specific to the application of fluoroscopy/X-ray, with 0.25 of that credit specific to radiation safety.

This activity fulfills 1.5 hours of Geriatric credit, as outlined in AB1820.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.0 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
