

SAN ANTONIO REGIONAL HOSPITAL

HCRO LEARNING MODULES

Our HCRO Guide Team is rolling out learning modules to help us better understand system elements, recognize risks in our daily work, be more aware of at-risk choices we make, and learn how we can use these concepts to personally contribute to high reliability.

Join Us!

Tuesday, December 5 & Wednesday, December 6

San Antonio Cafe

7 - 10 am | 11 am - 1 pm | 9 - 11 pm

Talk to our HCRO Guides, ask questions, and watch sample modules. Together we can identify unknown risks, prioritize them, and find effective solutions.

All San Antonio Team Members are required to complete all HCRO Training Modules by May 31, 2018.
